

Discover Your Path to Success

PATHWAYS

Lead a Career Workshop for Teens

Inspire the next generation. Shape tomorrow's workforce.

November 7, 2026
10:00 a.m. to 4:00 p.m.

Lompoc High School
515 West College Avenue

Conference Format

Students attend four workshops throughout the day based on their career interests.

Who Can Lead a Workshop?

Businesses, companies, organizations, colleges, agencies, trades, professionals, and more!

Interactive Workshops

Lead students through enriching and interactive career exploration experiences that introduce real-world industries and professions.

Structured & Supported

Each facilitator receives:

- A presentation template
- Two classroom supervisors
- Attendance, engagement, and logistics support

Career Workshop Format

1

Session Introduction
(2 minutes)

3

Presentation
(15 minutes)

5

Debrief + Q&A
(10 minutes)

2

Presenter Introduction(s)
(5 minutes)

4

Interactive Activity
(25 minutes)

6

Session Transition
(3 minutes)

Each session begins with a workshop introduction led by Classroom Supervisors, who provide ongoing support with participant attendance, student engagement, presentation logistics, and facilitator needs throughout each session. Facilitators may present anywhere from one to four one-hour workshops throughout the day, with a two-hour lunch and student poster presentation period scheduled between the morning and afternoon workshop sessions.

Lead a Career Workshop

Help students explore careers pathways through enriching, interactive workshops.
